

AZO Anwendungszentrum GmbH Oberpfaffenhofen is an international networking and branding company for the European space programmes. We support the development of new products and company foundations via a worldwide partner network and organise the Innovation Masters Series, the most important space-related innovation competitions. Our customers are, amongst others, the **European Space Agency (ESA)**, **AIRBUS**, the **German Aerospace Center (DLR)** and the **European Commission (EC)**.

Headquartered at the Oberpfaffenhofen space hub, AZO also manages its ESA Business Incubation Centre (BIC) Bavaria & Northern Germany, the leading incubator in Europe.

To strengthen our team in Oberpfaffenhofen, we are looking to fill the following position – initially limited to 2 years

## **Project Manager ESA BIC Bavaria International (m/f/d)**

### **Your duties & responsibilities**

- Structuring of process flows
- Strategic positioning
- Support of the company founders with regard to business operations
- Link to all project partners
- Technology marketing
- Overall responsibility for project coordination at an international level
- Project responsibility at a European level

### **Your profile:**

- Relevant academic studies, ideally in engineering, aerospace technology, business administration and/or geoscience
- Spoken and written eloquence in German
- Fluency in spoken and written English
- Excellent communication skills and prepared to present to international audiences
- Willingness to travel
- Proficiency with MS Office applications

### **What we offer:**

- Direct link to the directorate
- Extensive creative and entrepreneurial freedom
- Interesting travel
- Great individual responsibility

Curious? Then get to know us! Please send your cover letter and CV, with your possible start date via email to Ms Stefanie Herrmann at [stefanie.herrmann@azo-space.com](mailto:stefanie.herrmann@azo-space.com).
